ERASMUS + KA2 PROJECT

TRAINING IN CYPRUS

From the 07th-12th of October 2021, the Cypriot Partner - PlanBe Plan it Be it hosted a training in Cyprus gathering 25 youth workers from Portugal, Sweden, United Kingdom, Cyprus and Italy in Nicosia

The Youth Workers got the opportunity to be trained on all of the modules of the project YES. The 6 day training made them understand the aim of using Non Formal Education as a tool for Youth Engagement and active Citizenship.

All project partners trained the youth workers on all the modules that have been created for the implementation of this project. Along with the participants they were able to discuss further improvements and other suggestions on making the training interesting, realistic and successful.
