School education

► The Project

The project European Orchestra is a two-year Erasmus plus strategic school partnership.

This project brings together European countries and partners where the music education has a particular significance and importance, with a special emphasis on the positive influence it has on the special needs students.

Outputs

Music Education Book with sample songs

book 'Drama for Kids'

A musical theatre

Common orchestra and choir will be established by students

Digital museum of ethnic instruments

To introduce and explore a wide range of free available music technologies and learning tools that provide extra motivation for students and is based on their interests and everyday reality

OBJECTIVE

follow us

new teaching and learning activities
